# FOR YOUTH DEVELOPMENT

Empowering young people to reach their full potential

## MEMBERSHIP

Dedicated to offering dynamic classes and programs, the Geyer Family YMCA is a one-of-a-kind facility in the Y world designed specifically for families to learn, grow and explore together. Your child can learn to swim, dance, play sports, explore art, cook, become a hands-on scientist or adjust to an educational setting in our pre-school readiness programs—all under one roof. The Geyer Family YMCA specifically focuses on Youth Members 6 months to 9 years old, whether individual Memberships or as part of a Family Membership. Classes and programs are specifically designed to teach, entertain and engage the youngest of our Members to develop skills and create memories that will last a lifetime.

In the summer, the Geyer Family YMCA offers high-quality day camps for a variety of age groups. Whether it's learning important life skills in the pool, building self-esteem in the gym or unleashing imagination and creativity in the art studios, the Geyer Family YMCA is a great place to widen horizons!

The YMCA of Montclair offers Memberships to meet the needs of every family. Please stop by the Member Services Desk at the Geyer Family YMCA or the Park Street YMCA to learn more about Membership options or to tour the facility.

## PROGRAM INFORMATION

### Parent/Child Classes

Program registrations are for one child and one adult, unless otherwise indicated. For the safety of all children and to maintain program quality, siblings not registered for the class are not permitted in the program area.

### Child Only Classes

To provide each child with the opportunity to learn and grow in an independent manner, adults are not permitted in the program area during class time. Parents/guardians are welcome to sit in the lobby or, if available, in an observation area. Most classes offer an observation day/recital at the end of the session.

### Nut Free Facility

The Geyer Family YMCA is a nut-free facility. For the safety of all members and guests, please do not bring nut products into the building.

### Pool Observation

Parents/guardians are asked to refrain from standing in the Pool Hallway or sitting on the Pool Deck. There is an observation area with a full view of the pool.

### Photography/Video Recording

To protect the privacy of all participants, photography and video recording any of our classes and/or programs is not permitted.

### Closed Program Areas

Please do not enter rooms when not in use for structured classes or events (Gymnasiums, Nursery, Dance Rooms, Offices, etc.).

### Class Transfers/Changes

Program or class transfers or changes can only be made during the first two weeks of the session, subject to availability.

## REGISTRATION

You can register online or in person on the date(s) that apply to your Membership level. To register for a class/program, Membership must be current and must remain so for the duration of the program.

### Online and In-person Registration

Current members who have an email address on file with the YMCA of Montclair can register for classes/programs online. Registrations cannot be taken over the phone. Please see a Member Services Representative to verify your email address and login information prior to the registration date.

## REFUND POLICY

Membership payments are non-refundable and non-transferable, except as indicated in our refund policy. For the complete policy, visit [montclairymca.org](http://montclairymca.org).

Should the YMCA of Montclair find it necessary to cancel a class or program due to low enrollment, a full refund will be issued.

Class fees are not refundable once a program session has started. If a participant cancels at least one week before a program starts, 75% of the fee will be refunded. Membership fees are not refundable.

Due to instructor/student ratios, make-up classes will not be given, nor will refunds or credits be issued due to absences.

## FACILITY CLOSINGS

### Holidays and Observances

The YMCA of Montclair does not observe all national holidays. If the facility is open on a holiday, refunds, credits or make-ups are not issued for missed classes. Please plan accordingly.

**Holiday Closings:** Easter Weekend Friday, April 10 -12; Memorial Day Monday, May 25.

### Inclement Weather

The Geyer Family YMCA sends out an email notification if there is a closure due to inclement weather. We reserve the right to close or delay the opening of the facility during inclement weather to ensure the safety of our Members and staff. In the event of closure or delayed opening, because of scheduling conflicts and instructor/student ratios, no refunds, credits or make-ups will be offered.

In case of inclement weather, Members are encouraged to call the Geyer Family YMCA at 973-783-7640 for up-to-date information regarding program cancellations, closures or delayed openings. There will be a staff member or recorded message informing you of our status.

## FINANCIAL ASSISTANCE

The YMCA of Montclair strives to provide positive program and Membership experiences for individuals and families, including those who are economically disadvantaged. Individuals and families who reside within our service area and would like more information regarding the financial assistance program are encouraged to stop by the Welcome Center at either the Park Street facility or the Geyer Family YMCA, or visit [montclairymca.org](http://montclairymca.org) for an application.

## STAFF INFORMATION

The YMCA of Montclair Leadership Team, Administration and Board of Directors can be found on our website at [montclairymca.org](http://montclairymca.org).

# LOOKING AHEAD: SUMMER CAMPS 2020

## TIME FOR TWOS

2 YEAR OLDS

As an introduction to the camp experience, focus is on socialization, verbal communication skills and positive social behavior. Children will participate in group free play, art, music, story time and a host of physical activities.

## JUNE BUGS

AGES 3-KINDERGARTEN

Children engage in a safe, fun and creative first-time camp experience where they grow in self-reliance, self-confidence and self-esteem while mastering lots of new skills. Grouped according to age, campers move through the program center to different activities and adventures throughout the day.

## EARLY ADVENTURES

AGES 3-KINDERGARTEN

Offering first-time campers a new experience, Early Adventures activities include swim lessons, gym activities, storytelling, arts & crafts, music, dance and special events created around weekly themes.

## NEW DISCOVERIES

AGES 4-9

Wacky Wild West, Carnival Day and Beach Blast are some of the special event Fridays that highlight the New Discoveries camp. Monday camp openings offer skits and an intro to the week ahead. Wacky Wednesdays will sport Crazy Hat Day, Mismatch Day and Crazy Hair Day. These are just a few of the camp activities that will also include swimming, sports, arts & crafts, drama and science.

Before camp and after camp care are available.

## EXPLORERS

AGES 7-11

The combination of fun-filled activities and trips to local attractions are perfectly suited to 7-11 year old campers in Explorers. A daily schedule of games, recreational swim and weekly theme-based activities round out the fun.

## CAMP AT THE LAKE

AGES 5-13

Hiking, archery, outdoor survival skills, low ropes challenge, boating and fishing are just the beginning. These activities are combined with swim lessons, sports, crafts, nature and science to complete the Camp at the Lake experience. This American Camp Association accredited camp provides children with all these exciting adventures as well as cooperative learning and tons of fun. Free transportation is provided from bus stops in Montclair, Upper Montclair, Verona, Cedar Grove, Bloomfield, West Orange and Clifton.

## VOYAGERS TEEN

AGES 12-14

Field trips, hands-on activities, building leadership skills and giving back to the community provide a well-rounded camp experience. Voyagers spend two days a week "in house" working on the leadership skills and participating in extracurricular activities (like cooking, karaoke, poetry and dance), and volunteering locally. Wednesday through Friday is spent on excursions near and far, including some overnight trips.

## ACADEMIC CAMP EXPERIENCE (A.C.E.) ENTERING GRADES 2-5

Yes, this is summer camp! With hints of academic tones, A.C.E. has kids going up the summer slide in a creative way that highlights the camp experience but uses themes and plans to incorporate math, reading and literacy skills. Science, art, music and physical play and a field trip included.

## SUMMER SPARKS

GRADES 1-6

Hands-on and highly interactive, the Summer Sparks enrichment programs incorporate STEM, Arts, physical activity, social skills and so much more. Choose morning sessions, afternoon sessions or even both for a full day of stimulating activities. The summer can be fun and educationally engaging.

## YOUTH BASKETBALL ALL-STARS (Y.B.A.)

AGES 8-13

Learn game strategies, improve fundamentals, perform interactive drills and enhance offensive and defensive skills this summer. An intense program suitable for basketball enthusiasts of varying abilities, YBA is the perfect camp for players who want to develop or enhance their skills. Participants will end each week putting their new skills into action during the weekly tournaments—parents welcomed.

## SUMMER QUEST

AGES 14-15

Confidence, leadership and experience are three qualities young people need to enter the workforce—now and in the future. With two weeks of hands-on learning, teens have the opportunity to invest these newly acquired skills with internships at one of the Y's other camps or within the Y facility. With ongoing supervision, guidance and constructive feedback, campers will have an experience that will help them towards their first 'real job'.

## GAINING ACADEMICS PROGRAM (G.A.P.) ENTERING GRADES 1 - 4

Bridge the gap between the summer months and the upcoming school year. With engaging focus on reading, writing and math, G.A.P. campers are prepared to return to school in September more confident and with increased skills.
